

**This is your fractal editing screen.
Let's go over the ways you can
modify your fractal.**

Vertical pan changes randomness
Horizontal pan changes the fractals angle.

Vertical pan changes line thickness
Horizontal pan changes line bend angles.

Vertical pan changes line thickness increment
Horizontal pan changes bend angle increment.

Vertical pan changes line hue increment
Horizontal pan changes fill hue increment.

Toggles autoscale. Fits the fractal to the full screen

Toggles filter effects.

Bring up the color & filter editors
